## SUMMARY

Motivated and enthusiastic Web Developer with strong hands-on skills in HTML5, CSS3, JavaScript (ES6+), and React, focused on building clean, user-friendly interfaces. Completed multiple internships, delivering 4 web projects with an emphasis on responsive, mobile-first design and modern UI development. Experienced in creating high-quality frontend applications with attention to clean UI, layout consistency, and performance. Strong foundation in Data Structures and Algorithms (DSA) with proven problem-solving abilities. Proficient in GitHub and deploying production-ready applications on Vercel, Netlify, and GitHub Pages.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, JavaScript, React.js, Java, Python

**Dev Tools:** Visual Studio Code, PyCharm, Microsoft Office, Git, GitHub

## EXPERIENCE

### Web Development Internship

*VaultofCodes*

October 2025 – January 2026

Remote – Hyderabad, India

- Developed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript, focusing on clean UI design and layout consistency.
- Strengthened problem-solving skills by implementing interactive features and optimizing frontend performance.

### Web Development Internship

*ApexPlanet*

October 2025 – November 2025

Remote – Hyderabad, India

- Built and enhanced modern frontend components using JavaScript and React, following mobile-first and responsive design principles.
- Gained hands-on experience with GitHub version control and deploying applications on Vercel, Netlify, and GitHub Pages.

## EDUCATION

### B V RAJU INSTITUTE OF TECHNOLOGY

*Bachelor of Technology in Artificial Intelligence and Machine Learning*

Narasapur, Medak, Telangana

Aug 2024 – July 2027

## PROJECTS

### SMART TASK MANAGER

*HTML, CSS, JavaScript*

Source Code

- Developed a responsive task management web app using HTML, CSS, and JavaScript, featuring task creation, completion tracking, filtering, sorting, search, and CSV export with persistent local storage.
- Designed a modern glassorphic UI with light/dark mode, animations, progress tracking, and motivational elements. Integrated user authentication with login/register pages and built a dynamic dashboard showcasing task insights to enhance productivity.

### RESUME BUILDER

*HTML, CSS, JavaScript*

Source Code

- Built a dynamic Resume/CV Builder featuring customizable templates, real-time live preview, autosave, JSON import/export, and print-to-PDF support.
- Implemented drag-and-drop section management for flexible structuring and added keyword analysis for job-match optimization.
- The tool includes a responsive, accessible UI with light/dark themes and is developed using HTML, CSS, and modern JavaScript with a focus on clean, ATS-friendly layouts.

## ACHIEVEMENTS

- Google Agentathon Certificate

## CERTIFICATIONS

- Certified HTML5 by Infosys Springboard
- CSS and CSS3 Technologies

- Explore React.js Development
- Certified Java Foundations Professional Certificate by JetBrains
- Certified TCS iON Career Edge - Young Professional
